Screw Fixing Mounts LKM

LKM / CL / FH with curved design for sideways fixing, Article number: 151-26302

- Screwable mounts for fixing cable sideways
- Ideal for securing large, heavier bundles
- Suitable for cable ties up to 8 mm wide

In areas with limited space these mounting bases allow the cable to be offset from the fixing hole, and can be installed in the equipment prior to the cable installation. A major cost saving can be made by using these products as many different sizes of standard cable ties can be used, reducing the need to stock a wide range of specific fixing ties.

Base Data

Colour	Black (BK)
Fixation Method (FF)	Screw Mounting and Rivet
Product Family	LKM / CL / FH with curved design for sideways fixing
Product Group	Screw Fixing Mounts
Type	LKM.NB6P

Product Dimensions

Height (H)	16 mm
Height (H2)	5 mm
Hole Ø (FH)	6.0 mm
Length (L)	27 mm
Strap Width max. (G)	7.6 mm
Width (W)	12 mm

Logistic and Packaging

EAN code	5022660310751
Pack Cont.	500
Quantity per	Bag

Material and Specifications

Flammability	UL94 V2
Material	PA66
Material	Polyamide 6.6 (PA66)
Operating Temperature	-40 °C to +85 °C, (+105 °C, 500 h)
