PROFESSIONAL COAX CABLE TOOL KIT
46602 AND 46603

46602 – Short style RG59/6 "F" Connectors
46603 – Long style RG59/6 "F" Connectors

46602

Two kits for reproducing the exact same high quality connection every time

Each of these two kits have been designed to cut, strip, terminate and tighten coax connectors based on highly engineered specifications. Each kit contains:
- **0251-08D** 8" diagonal cutting pliers
- **45592** stripping tool with depth stop, allowing you to easily replicate exact cutbacks and a Velcro pad to pull back insulators without risk of injury
- **0153-42C** 6-in-1 multi tool
- **FL2AAAP** LED pen light
- **0354-1430T** 7/16" torque wrench engineered to tighten connectors up to 30 in-lb
- **PA5001** Grip pack with quick release belt clip
- Kits are available for shorter (PA7602) or longer (PA7603) style "F" connectors
